SUBJECT.

Publication of the Mysore Police Gazette

FILE No. 50 of 1904-05.

Publication of the Mysore Police Gazette.

1 From the Inspector General of Police in Mysore, letter No. 853—99, dated the 11th August 1904.
Suggests that, for the reasons stated, the Government Press may be directed to undertake the publication of the Mysore Police Gazette (Enclosures 5.)

2 To the same, docket No. J. 547, dated the 27th August 1904.
States that the Government Press is already heavily worked and requests to be informed what increase of remuneration Messrs. V. B. Subbiah & Sons, the present publishers, demand for continuing the Mysore Police Gazette. (Returns the enclosures received with the above.)

3 From the same, letter No. 1702—190, dated the 24th September 1904.
States that Messrs. V. B. Subbiah & Sons require an additional grant of Rs. 344 per annum or in all Rs. 1,000 per annum, that on further consideration he is of opinion that there is, under the present circumstances, hardly adequate matter for the publication of the Gazette, fortnightly or weekly and that the Gazette may be issued when sufficient materials for the purpose are available and not at regular intervals, and adds that if his proposal is approved by Government, there will be no necessity for incurring extra expenditure on this account as the present grant of Rs. 656, will meet all requirements.

4 Letter No. J. 1282, dated 18th November 1904, to the Superintendent, Government Press.
Enquires whether he could bring the extra cost within the sanctioned amount of Rs. 656, by publishing the Police notifications, etc., in the *Mysore Gazette*.

J. F. 233 of 1892-93.

Endorsement No. J. 1283, dated 18th November 1904, to the Inspector General of Police.

Forwards a copy of the above for information with the request that he will give the necessary particulars on application by the Superintendent.

5 Letter No. 473, dated 24th November 1904, from the Superintendent, Government Press.

States that this additional work will involve an extra cost of Rs. 800 per annum, and gives details of expenses.

6 Letter No. J. 1434, dated 5th December 1904, to the Inspector General of Police.

Forwards copy of correspondence No. 473, dated the 24th idem, from the Superintendent, Government Press, stating that the proposed arrangement would exceed the sanctioned amount by Rs. 144.

7 Letter No. 3427—369, dated the 19th December 1904, from the Inspector General of Police.

States that the publication of the Police Gazette, as a continuation of Part II of the *Mysore Gazette* would be very undesirable and that the Police Gazette is of the nature of a confidential record intended primarily for the information of the officers of the Police Department.

8 To the Inspector General of Police in Mysore, the Superintendent, Government Press, letter No. J. 2254-5, dated 9th February 1905.

Observes that neither the confidential character of the Gazette in question is preserved, nor any other advantage derived by getting it printed by private agency, and directs that the present arrangement be continued, and that if the present publishers demand more money, the work be undertaken by the Government Press.

can be effected by the transfer of Rs 650 now wrongly paid to Messrs V. B. Subbiah & Sons for the publication of the Gazette in question and by sanctioning an additional grant of Rs 344. The Mysore Standard Press is ready to take up the whole work, including the cost of paper, for Rs 1000, but the I.G. is not in favour of giving the work to any private press.

Subd with a draft docket to the I.G., inviting his attention to the Supdt's D.O. dated the 4th December 1903 and asking him to state whether he can find savings under any other heads in the Police budget sanctioned to make up the amount req^d by the Press.

Police Fortnightly

-----ooOoo-----

I have the honor to state that the Police Fortnightly Gazette has become most irregular in its issue, the last issue being for the fortnight ending 15th May - 1904, viz: 2 months overdue.

2. Mr: Madiah, my predecessor , issued several --- notices to the publishers warning them against irregular issue of the gazette, but as there was no improvement, he was contemplating other arrangements for a more regular - publication.

3. The publishers, Messrs: V. B. Subbiah & Sons, in their petitions dated 15th March and 6th July 1904, represented that the gazette had increased in bulk, and that the grant of Rs: 656/- fixed in the year 1892 (vide Government Proceedings No: 11252-3/J. 581-92 dated 11th. December

December 1892), when the gazette was simpler and less bulky, did not pay them; the actual cost of publication last year having been Rs 1164/-. They therefore prayed that the grant might be increased.

4. Upon this the Superintendent of the Government Press, and the Editors of the Mysore Standard and the Bangalore Bulletin were requested to submit their estimates for the work. The replies received from them are enclosed for information.

5. Both the Editors of the Mysore Standard and the Superintendent of the Government Press estimate the cost per annum at Rs 1000/-; with this difference that the former undertakes to attend to the work of compilation, translation and despatching as is done by the present publishers, Messrs: V. B. Subbiah & Sons.

6. The publication of the gazette was first started in the year 1887 by the present publishers under the designation of the " Police Fortnightly Circular ". On the recommendation of Mr: Ricketts, the then Inspector General of Police, the Government sanctioned in their Proceedings No: 2036-7 dated 18th March 1887, the Police Circular being subscribed for by all the Districts and Taluk Head Quarters.

7. The publishers having prayed, in their letter No: 288 of the 4th June 1892, for permission to publish Canarese copies of the Circular separately for supply to Sub Stations, the Government sanctioned the same in Proceedings No:11252-3/J581-92 dated 11th December 1892. Thenceforward 100 English and 406 Canarese copies, at Rs 1-8-0 & 1-0-0 each respectively, were ordered to be supplied to all Head and Sub Stations in the Province and a grant of Rs 656/- per annum was sanctioned by Government in the Proceedings quoted above.

8. The total number of copies now supplied by the publishers is 110 English and 516 canarese copies.

9. In the early days, the gazette used to contain merely

important departmental orders. Mr: Madhava Rao improved it by the publication of important High Court Rulings, Orders and Circulars about plague matters, useful extracts from the diari of ~~the~~ Superintendents and Assistant Superintendents of Police &c.

10. The publication of the gazette however began to be irregular in 1899 and has continued so ever since, until at the present time it is more than 2 months in arrears.

11. It is obvious that a gazette which furnishes important and urgent information to the Police Force in general, ~~and~~ should be issued punctually and with as little delay as possible; otherwise, its usefulness is nullified for all practical -- purposes. Punctuality, in fact, is the essential of such a publication.

12. I am not at all in favor of a private press, or a -- newspaper office, being given the publishing work-. Much of the information for publication is purely confidential and departmental nature, and there is no guarantee that a --- private firm would keep such information strictly confidential

13. I would therefore suggest that the Government Press should be directed to undertake the work, on my engaging to keep down the matter for publication to the limits prescribed by the Superintendent in his letter (enclosed), and to doing the compilation, translation and distribution in my office.

I have the honor to be,

Sir,

Your docket No: J 547/Police 50-2 dated 27th August 1904 enquiring what increase Messrs: V. B. Subbiah & Sons want, to continue the publication of the Mysore Police Gazette;

In reply, I have the honor to state, that Messrs: V. B. Subbiah & Sons require an additional grant of ~~Rs:~~ Rs 344/-, or Rs: 1000/- in all, per annum.

On further consideration, I am of opinion, that there is, under the present circumstances, hardly adequate matter for publication of the Gazette fortnightly or weekly. I therefore propose issuing the Gazette, only when sufficient materials for the purpose are available, and when necessary, and not at regular intervals. If this idea is approved of by Government, I do not see any

or in round sum Rs. 800-0-0

The above estimate for the head of tools and plant etc as it is a bonafide cost work. The charges for supervision may be considered later on when the work is developed. From it will be seen that the actual cost under the head Piece Work &c will be Rs. 480/- and that of Proof reading, Rs. 300/- per annum, as Proof reading cannot be paid for at Piece rates. The work will therefore necessitate an increase of Rupees 500/- to the Piece Work allotment of the Estimate for the entertainment of two additional hands in the Proof Branch at an annual cost of Rupees 300/- in the Fixed Establishment. It is understood that the work of compilation, translation and Distribution will be done by the officers of the Inspector General of Police.

No 473 dated 24th November 1904 from the

Superintendent, Government Press, stating that

the cost of printing the Police Gazette in Part II

of the Mysore Gazette will be Rs 800/-.

I have the honor to state that after mature

consideration

consideration, I am of the opinion that the publication of the Police Gazette, as a continuation of Part II of the Mysore Gazette - would be very undesirable for many reasons. The Police Gazette is of the nature of a confidential record intended primarily for the information of the officers of the Police department, and it is on these lines that similar - Gazettes are conducted in the British Provinces.

2. The matter of more regular issue is engaging my attention, and I hope gradually to make the publication of more practical utility and interest to all members of the force

I have the honor to be,

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Read:-

Correspondence ending with letter No.3427/369 dated the 17th December 1904 from the Inspector General of Police in Mysore, expressing his opinion in the matter of the proposed publication of the Police Departmental orders and circulars etc, as a continuation of part II of the Mysore Gazette, instead of being printed as a separate publication by private agency.

2. Letter No.3809/407 dated the 7th January 1905, from the same officer, forwarding a few issues of the Bombay Police Gazette.

Order No. J 2262-6 / Police: 50-8. dated 9/9/05.

Government are not convinced that there is any particular advantage in getting the compilation of Police Orders and Circulars printed by private agency over its publication at the Government Press as a separate and confidential part of the Mysore Gazette intended for distribution to Police Officers only; or that the confidential character of the record is preserved better in the former case than in the latter. They have, however, no objection to the arrangement of private printing being continued as desired by the Inspector General of Police, on condition that the present printers do not want more

money for the work than is being paid to them at present. In the latter case, the printing and publication should be undertaken by the Government Press as suggested above, and as, it is understood, is being done in the Bombay Presidency.
